Important pricing information

These package prices use Florey. If you prefer Mawson or Heysen, please ask for a written estimate for that chapel.

The Tribute and The Legacy include a function-room booking. We will confirm the room, booking time and any catering in your estimate. A room booking does not confirm a catering menu or number of guests.

For burial, these prices cover the listed professional services and items only. Grave plots, cemetery and interment fees, earth or concrete removal, headstones and permanent memorials are additional and will be quoted separately.

Additional transfer or care requirements and optional choices may change the total. Please ask for an itemised written estimate for your specific arrangements.
